Application for enrolment
Applicant No.: 872450

Dear Ladies and Gentlemen,

I hereby apply for enrollment for the following course of study:

Application for enrolment in winter semester 2025/2026

Degree	Master of Science
Subject	Embedded Systems Engineering
Study semester	1

Information on enrolment as well as contact information and office hours can be found on the website: <https://ufr.link/enrolment> under "**Enrolment for International Students**".

Please note in the case of degree programs with multiple fields (Bachelor of Arts, Polyvalent Two-Subject Bachelor and Bachelor of Science 2-Subject) <https://ufr.link/degree-programs> that enrolment is only possible for a complete combination of fields. You will find further information on your admission letter in the application portal.

The following documents must be submitted together with this application for enrolment:

- Your letter of admission.
- A certificate providing evidence of German statutory health insurance coverage or an exemption from the health insurance requirement: will be transmitted electronically to us by the statutory health insurance company. For this purpose, please request "Meldung 10 für die Universität Freiburg" from your chosen German statutory health insurance. Your health insurance card or EHIC or a written general proof of insurance are not enough.
- A receipt confirming payment of your student fees and administrative fees; you can pay the fees directly with a Girocard ("EC card", with PIN) when you matriculate. Payments by credit card cannot be accepted.

- If you have already been enrolled as a student in Germany (even if it was only exchange or short-term): Your disenrolment certificate and any certificates you earned from examinations at that university. If you need an disenrolment certificate, please contact the respective university.
- This enrolment application (full-time or visiting student).
- If your letter of admission requests other records with your online enrolment application, e.g. a record of participation in a study orientation process or language skills, please bring the original or an officially certified copy with you. See leaflet "Beglaubigungen/Certifications" <https://ufr.link/enrolment>.

Faculty of choice

You are entitled to participate in the faculty council elections. The allocation to the faculty of choice is automatically made from the faculty of the first subject of the first course of study of enrolment. If you wish to change your faculty of choice, please contact the Student Service Center.

I confirm

that the information I have provided in this application is true and complete. I am aware that missing or false information can lead to revocation of my enrolment (§ 60 State Higher Education Act).

I declare

that I am not presently in an examination procedure in any of the fields of study for which I am applying for enrolment,

that a previous admission in this/these fields or in a related field has not expired due to the fact that I have irrevocably failed an examination (examination during the course of study, orientation examination, intermediate examination, or final examination) or forfeited my right to take examinations in the same or related fields,

that I have never missed an examination in any of the fields for which I am applying for enrolment and thus have not forfeited my right to take examinations in those fields (e.g., by missing the retake of a failed examination during the course of study, failing to turn in a bachelor thesis, by failing to attend the oral presentation or the colloquium, or by failing to take the orientation examination and/or intermediate examination within the time allotted),

that I am not currently matriculated at another institution of higher education in Germany or in another country in the field of study in which I am applying for enrolment,

that I am not currently doing military or civil service and that I have not received a summons for military or civil service.

I know

that failure to provide the information requested in this application, which is required by the regulations of the Ministry of Science and Research on the collecting and processing of the personal data of student applicants, students, and examination candidates by institutions of higher education for administrative reasons from August 28th, 1992 (GBl. 1992 page 667), last revised of the ordinance from May 3th, 2012 (GBl. page 276, 280), may lead to revocation of my enrolment.
