

Internship Offer Letter

Dear Mr. Zhanyu Dong:

Congratulations! We are pleased to inform you that you have been accepted as an intern by the Nanjing Integrated Circuit Design Automation Technology Innovation Center. The details are as follows:

I. Internship Department: R&D Department

Internship Position: Analog Circuit Intern

II. Internship Term and Compensation

1. The internship term is from September 7, 2026 to March 31, 2027;
2. The pre-tax internship compensation is RMB 3,500 per month;
3. Payment will be made on the 15th of each month based on actual attendance.

III. Accommodation and Meals

The Center will arrange accommodation. Utilities, daily necessities, and meals are at your own expense.

IV. Internship Time and Location

Time: September 7, 2026, 9:30

Location: 2/F, Building B, Chuangzhi Building, No. 17 Xinghuo Road,
Jiangbei New Area, Nanjing

五、Documents for Registration

1. Original and photocopy of your student ID;
2. Original and photocopy of your resident identity card;
3. Photocopy of your personal Industrial and Commercial Bank of China (ICBC) bank card (please check your account-opening branch information in advance);

4. A printed proof that your supervisor has confirmed and approved the internship (email, WeChat message, or signature).

Note: Please ensure that all materials submitted to the Center are true and valid. If any falsification is found, this internship offer will automatically become void, and the Center will assume no liability.

VI. Confirmation of Acceptance

The Center maintains a confidentiality policy. Please do not disclose the contents of this offer to others. Please report to the Center on the date stated above; late arrival will be deemed a waiver of the offer. After receiving this offer, please reply to confirm and return it within 48 hours.
