Degree program: Master of Science (M.Sc.)
Major Field: Embedded Systems Engineering, PO 2021

	Status/ Grade	ECTS	Semester/ Remark
Preliminary average grade M.Sc. Embedded Systems Engineering (PO-Version 2021)	2.3		
ECTS Credit Account Master of Science in Embedded Systems Engineering (PO-Version 2021)		45	
Informatik Computer Science		24	
Essential Lectures in Computer Science	2.3	18	
Computer Architecture	2.7	6	
Rechnerarchitektur / Computer Architecture - Examination: Rechnerarchitektur / Computer Architecture - Lecture	2.7	6	ws 2025/26
Cyber-Physical Systems – Discrete Models	3.0	6	
Cyber-Physikalische Systeme - Diskrete Modelle / Cyber-Physical Systems – Discrete Models - course work	BE		ws 2025/26
Cyber-Physikalische Systeme – Diskrete Modelle / Cyber-Physical Systems – Discrete Models - Examination	3.0	6	ws 2025/26
Introduction to Embedded Systems	1.3	6	
Introduction to Embedded Systems - Studienleistung exercise	BE		ws 2025/26
Einführung in Embedded Systems / Introduction to Embedded Systems - Examination	1.3	6	ws 2025/26
Elective Courses in Computer Science		6	
Hardware Security and Trust	2.7	6	
Hardware Security and Trust- Examination	2.7	6	ws 2025/26
Microsystems Engineering		21	
Advanced Microsystems Engineering		18	
Micro-electronics	1.7	6	
Micro-electronics - Prüfung	1.7	6	ws 2025/26
Modelling and System Identification	2.7	6	
Modelling and System Identification - Studienleistung	BE		ws 2025/26
Modelling and System Identification - Prüfung	2.7	6	ws 2025/26
MST Technologies and Processes		6	
MST technologies and processes - Prüfung	2.3	6	ws 2025/26
Microsystems Engineering Concentrations Area		3	
Circuits and Systems	1.7	3	
RF- and Microwave Circuits and Systems	1.7	3	
RF- and Microwave Circuits and Systems - Examination	1.7	3	ws 2025/26
Conditional Courses for Program Admission	BE		
Algorithms and Data Structures - Conditional Course	1.7	6	
Algorithms and Data Structures - Conditional Course - Examination	1.7	6	ws 2025/26

Please note:

This transcript of records should only be used for your personal information, as it is not a legally binding document. Legally binding transcript of records (with signature and seal) are issued exclusively by the competent examination office.

Key of statuses:

ZU = admitted to examination; ZUV = admitted to examination conditionally; NZU = not admitted to examination; E = submitted;
RT = accepted withdrawal from examination;
BE = assessment passed; NB = assessment failed; EN = examination finally failed; NV = result pending;
REG = notification of assessment registered;
TA = participation in course accepted; TRE = regular participation in course; TNE = irregular participation in course.

Notenskala:

1,0 bis 1,5 = sehr gut
1,6 bis 2,5 = gut
2,6 bis 3,5 = befriedigend
3,6 bis 4,0 = ausreichend
5,0 = nicht ausreichend

Key of remarks:

FRV = extension; MED = medical reasons; NA = not present; NE = failed to appear; NV = result pending; NZ = no admission;
PFU = exam deadline passed; SOG = other reasons; TV = attempt of deception; MW = changed module; RTP = withdrawal by examiner
recognition Univ. FR = credits earned at University Freiburg; recognition = credits earned at another institution.
